# AMERICAN UMPIRE

Prof. Elizabeth Cobbs of Texas A & M University grants us a sneak preview of her forthcoming PBS documentary film, “American Umpire,” based on her acclaimed history book of the same name. The film recounts America’s post-World War II role as the world’s policemen and explores whether the United States can, and should, continue to play that role in the future. After screening the film (56 minutes), Prof.

Cobbs and the film’s director, James Shelley, will discuss the making of the documentary and engage the audience in dialogue.
