

The Center for Cold War Studies and International History presents a lecture by

Dr. Charles Delgadillo

California State Polytechnic University, Pomona

CRUSADING *for* **DEMOCRACY**

**William Allen
White's
Liberal
Republican
Internationalism**

William Allen White was an outstanding specimen of a now vanished breed: the liberal internationalist Republican. A prominent author, editor, and opinion leader in the first half of the 20th century, White devoted his career to pushing the Republican Party, and the nation at large, to play an active role in shaping the world order. Charles Delgadillo discusses the life and times of this fascinating and important figure.
