Jon Meacham

America Then and Now: What History Tells Us About the Future

One of America's great public intellectuals and a skilled raconteur, Pulitzer Prize-winning historian Jon Meacham brings a depth of knowledge about politics, religion and current affairs that helps us understand how historical events and current issues intersect to impact our lives.

*Presented in association with the UCSB Division of Humanities
and Fine Arts and the UCSB Department of History*

*Presented through the generosity of
Natalie Orfalea Foundation & Lou Buglioli
Stacy & Ron Pulice*

*History Matters Series presented through the generosity
of Loren Booth and Ellen & Peter O. Johnson*
