

# Poverty, Inequality, and Social Justice Minor

View the Minor Requirements Sheet [HERE](#)

Visit the [Blum Center Website](#) for detailed information on internships for this minor, a student FAQ, and more!

**1.) PREPARATION:** You must take History 74. This course is *only* offered in **fall quarter**, and must be taken *before* the internship component, and *before* the capstone seminar. You may take the elective courses before taking History 74.

**2.) UPPER-DIVISION:**

- **Area A:** You must complete an approved internship for this minor. Internships may be completed on campus, through local organizations, through the EAP program, or through UCDC/UCCS. For more information on internships, please visit the [Blum Center Website](#). The internship coordinator for this minor is [Joanne Nowak](#). Please direct all internship questions to her. *\*Note that your internship eligibility process must begin at least 6 weeks in advance of when you plan to start your internship, so please keep that in mind!*
- **Area B:** You must take three elective courses from the specified list, and the **courses must be outside of your major department**. So, for example, if you are an anthropology major, you may **not** use any of the specified anthropology courses to count towards this minor. Courses must also be from at least two different disciplines. If you would like to petition a course not on this specified list to count for elective requirements, please submit the course through our [online petition form](#). A course syllabus is required for petitioning.
- **Area C:** You must take History 174Q, the capstone seminar for this minor. This course is currently *only* offered in **spring quarter**. This course is meant to be taken as the last course in the minor. You should have already completed your internship, and two elective courses before taking History 174Q.

**IMPORTANT REMINDERS:**

- ALL courses for the minor *must* be taken for a letter grade (with the possible exception of the internship component)
- At least 12 of your upper division minor units must be taken in-residence at UCSB (NOT through EAP or at another university)
- You must earn *at least* a 2.0 in all of the upper division minor courses by the time of graduation.
- No more than 5 upper-division units may overlap between this minor and the upper division portion of your major or other minors, BUT, remember that the elective courses for this minor must be *outside of your major department*. Contact the [History Undergraduate Advisor](#) for more information on this.
